Terms and Conditions of Use

The Municipality of Anchorage (MOA) acquires, develops, maintains, and uses geographic information systems (GIS) in support of its internal business functions and in the services it provides to the public. The GIS data which the MOA distributes and to which it provides access may not be suitable for all purposes or uses. GIS data sets are provided with no warranty as further explained below.

The MOA's GIS data is obtained from sources the Municipality believes to be reliable. However, because of the possibility of human or technical errors, the Municipality cannot guarantee the accuracy and completeness of the data and does not assume any responsibility for its uses.

The MOA voluntarily provides the data as a service to the public. The MOA makes no warranty, representation, or guaranty as to the content, accuracy, timeliness, or completeness of any of the data provided at this website. The MOA makes this data available on an "as is" basis and explicitly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.

MOA assumes no liability for any errors, omissions, or inaccuracies in the data provided in this website regardless how caused, or for any decision made or action taken or not taken by anyone using or relying upon data provided at this website. The MOA assumes no liability for any virus or other damage to any computer that might occur during or as a result of accessing this website or the data provided herein.

By accessing any data ("Data") you agree to these Terms and Conditions of Use ("Terms"). These Terms may be updated or modified by MOA at any time at its sole discretion. If you do not agree to these Terms, do not access the Data or download any material from it.

Users of this data are hereby notified of the following:

1. The Data is collected from various sources and will change over time and without notice.
2. The Data is provided to you on an "AS IS" and "AS AVAILABLE" and "WITH ALL FAULTS" basis without any warranty of any kind, express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose, accuracy and non-infringement, nor shall the distribution of this information constitute any warranty.
3. The Data is not intended to constitute advice nor is it to be used as a substitute for specific advice from a professional. You should not act (or refrain from acting) based upon information in the Data without independently verifying the information and, as necessary, obtaining professional advice regarding your particular facts and circumstances.

4. You use the Data at your own risk, and you assume the risk that the Data may provide incorrect information to you, as well as the risk that any material downloaded by you may cause loss of data or damage to your computer system.
5. MOA and its officials and employees assume no responsibility or legal liability for the accuracy, completeness, reliability, timeliness, or usefulness of any information available from the Data nor do they represent that the use of any information will not infringe privately owned rights.
6. Should you use the Data for any purposes, you agree to provide the following legend, prominently displayed: "Data provided courtesy of MOA" unless otherwise agreed in advance by MOA in writing. Other than displaying this legend, you are not authorized to make any use of any proprietary service marks of MOA, including the MOA logo, or any confusingly similar variant thereof.
7. MOA reasonably believes that making this Data available for your inspection is not an infringement or other violation of any intellectual property rights. To the extent copyright in said information is held by MOA, you are hereby permitted by MOA to copy, distribute, store (electronically or otherwise), create derivative works based on and perform and display (publicly or otherwise) such Data, and make such Data available to end users. However, the information made available from the Data may contain material for which others may assert a copyright or other property interest, and MOA and its officials and employees make no warranty or guarantee as to the ownership of any intellectual property or other property interest contained in the information. Furthermore, MOA expressly disclaims any responsibility to defend or indemnify you against claims which others may assert based on your copying, distribution, or other use of any of the information.
8. MOA reserves the right at any time to modify or discontinue access to the Data (or any part thereof), temporarily or permanently, with or without notice to you. You agree that MOA will not be liable to you for any modification, suspension, or discontinuation of access to the Data.
9. You understand and agree that in no event will MOA be liable for any direct or indirect damages, even if both parties are aware of the possibility of such damages, including without limitation loss of profits or for any other special, consequential, exemplary or incidental damages, however caused, whether based upon contract, negligence, strict liability in tort, warranty, or any other legal theory, arising out of or related to your use of the data. The parties intend that this limitation should apply even if it causes any warranty to fail of its essential purpose.
10. You agree to indemnify, defend and hold harmless MOA and its officers, directors, and employees from and against all fines, suits, proceedings, claims, causes of action, demands, or liabilities of any kind or of any nature arising out of or in connection with your use of the data. To the fullest extent permitted by law, any user of the data provided at this website shall indemnify and hold harmless MOA from any claim, loss, damage, injury, or liability of any kind (including, without limitation, incidental and consequential damages, court costs, attorney's fees and costs of investigation), that arises directly or indirectly, in whole or in part, from that user's use of this data, including any secondary or derivative use of the information provided herein. Every user of this data also specifically acknowledges and agrees to have an immediate and independent obligation to defend the MOA from any claim that may fall within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to the user by the MOA and continues at all times thereafter.
11. The exclusive jurisdiction and venue for any dispute, action, or suit of any nature involving the Data and its content, including, but not limited to, actions for injury to a person or property or infringement of intellectual property rights, shall reside in either the U.S. District Court for Alaska, Anchorage, Alaska or the Alaska State Superior Court, 3rd Judicial District, Anchorage, Alaska.
12. These Terms constitute the entire agreement between the parties as to their subject matter, and there exist no other additional or conflicting terms, conditions or obligations between the parties relating to the use of the Data. By use of this Data, I agree to the MOA Terms and Conditions of Use.
